## Newsletters

Delta's monthly newsletter is aimed at sharing beneficial information with members and their companies. Various topics include highlights from the previous meeting, safety tips, regulatory updates, both state wide and national safety statistics, job opportunities and a calendar of upcoming conferences, seminars and other safety related events. Dates and locations of upcoming meetings are also published.

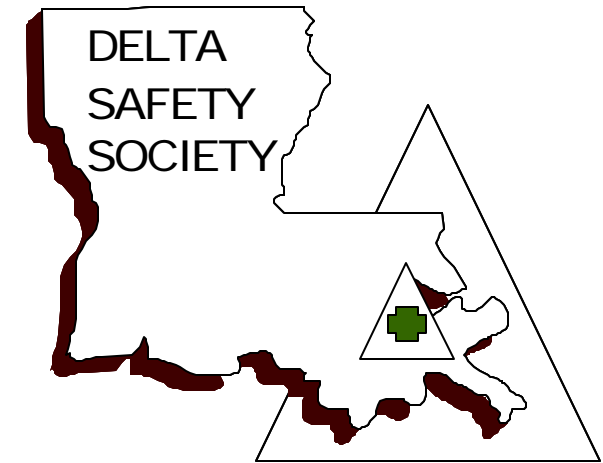

We offer any member in good standing the opportunity to sponsor the monthly newsletter. This involves duplicating the newsletter from a master provided by the Newsletter Editor and mailing. Sponsors are welcome to enclose their company's information and display products and information at the sponsored meeting.

The Newsletter Editor produces and coordinates newsletter mailings.

## General Meetings

Regular meetings are held at area restaurants on the last Thursday of each month. Guest Speakers are invited to introduce or review a unique variety of current health, safety, security and environmental topics. Members are encouraged to share thoughts and ideas concerning their common goals, thereby promoting individual career advancement and opportunity through professional contacts.

About The  
Delta Safety Society

## History

Delta Safety Society was founded in October, 1942 and is the oldest organization of its kind in the metropolitan New Orleans area; Since 1942 Delta has expanded to include members from throughout Southern Louisiana. Delta is a non-profit organization composed of enthusiastic health and safety professionals. Many past and present members have reached national recognition within the field of health, safety and training.

## Objective and Purpose

Delta's objective and purpose shall be to promote the arts and sciences of engineering in their relation to the preservation and protection of life, limb and property; to promote the civic and professional welfare of its members, to engage in recognized community safety council activities and to further any efforts toward community safety.

Delta is proud of its record of supporting community projects that promote the safety and well being of people and property. Requests for support should be directed to one of the Officers for consideration.

## Officers

Delta Safety Society holds annual elections for its Executive Officers. The executive board includes the President, two Vice Presidents, Secretary and Treasurer. In addition to the Executive Officers, several committees are established to promote community involvement, encourage new membership, to nominate prospective officers for the upcoming year and ensure that accurate and professional financial records have been maintained.

### Officer Responsibilities are:

- President - General Leadership
- 1st. Vice President - Speakers
- 2nd Vice President - Restaurants
- Secretary - Meeting Minutes and Records
- Treasurer - Checking and Financial Records

## Membership

Delta Membership is open to Safety and Health Professionals who are interested in corporate or community safety matters. Individuals must be responsible for the implementation of corporate safety and health programs, engaged in safety training, safety engineering, allied health or simply interested in cur-
